

Careers Charter

- At Oasis Academy Lister Park we aim to provide you with weekly information on a chosen career.
 - We will help you learn about all options available to you including jobs, information about employers, further and higher education options.
 - You will learn about employability skills, the labour market information, the importance of core subjects, application forms for jobs and further education, CV writing skills.
 - You will learn about careers through YGL, PSHCE lessons, assemblies, trips, events, and REACH days.
 - Examples of role models will be shared through careers in each subject area.
 - All KS4 students will receive personalised impartial careers advice.
 - You will be provided with a dedicated careers section in the library that will consist of college prospectuses, apprenticeship information, posters, and much more.
 - All students will take part in an annual careers fair.
 - All students will be taught about options/careers through guest speakers in assemblies.
-
