Top Tips

- Always READ the question carefully. What exactly is it asking you to do?
- There are 3 sections to the exam. If you are finding a question difficult then move on and come back to it.
- Read each scenario carefully as the question will relate to the scenario
- Underline the key words in each question.
- Read the amount of marks for each question.
- Practice the past paper question by mark.
- 4 and 8 mark questions require an explanation so used the word Because ...
- Practice the 4 mark and 8 mark questions through the 'Boxing up' technique or the cross method.
