## Students Dinner Money and My Child at School (MCAS)

Dear Parent/Carer

As you are aware the school is going cashless and all payments are to be made via the MCAS app. This also includes topping up your child's dinner money.

Currently the school holds a large debt for student dinner money that is required to be cleared by parents ASAP. If your child's dinner money account is in debt, then you would have been receiving a telephone call and or a text advising you of this and asking that the amount is cleared.

From the 1<sup>st</sup> July 2023 no cash will be accepted by the canteen staff and all payments are to be made via the MCAS app. If your child is in debt for the cost of 2 meals, they will not be allowed another meal until the debt is cleared. A text will be sent home advising you of this and the need to send your child to school with a packed lunch.

You will be required to top up £11.75 each week (Lunch meal Cost £2.35), If your child gets extras at lunch and break additional funds will need to be added to the account.

If you think you might be eligible for Free School Meals, please go to the link below where you can answer a few questions and it will tell you if you are eligible or not. If you are eligible you and the school will be notified straight away.

If you do not have a MCAS login, please contact the school via [admin@oasislisterpark.org](mailto:admin@oasislisterpark.org) and one will be emailed back to you. If you have forgotten your password, please use the forgotten password and follow prompts to reset.

If you do not have the app downloaded, then go to your phone providers app store and type in MCAS and this should bring up the app.
