

21<sup>st</sup> January 2021

Dear Parents and carers,

### **Year 10 Academic Parents Evening**

Our Year 10 Academic Parents Evening has been arranged for Thursday 28th January 2021, between 3pm and 6pm.

Due to the current climate, we are making some significant changes to the structure and layout of our parents' evening to ensure families are not missing any vital information regarding their child.

On 28th January, your child's form tutor will call you between the hours of 3pm and 6pm. They will contact you on the priority 1 contact number you have provided us with, however will attempt alternatives if the number is unavailable. Please ensure there is someone available to talk through your child's progress during these times. The call will likely be made from a withheld number.

This discussion is vital so that you can gain important feedback on their progress in all subjects so far. Their form tutor will provide you with some comprehensive written comments from each subject teacher with their current and predicted grades. Furthermore, this meeting slot will also give you an opportunity to ask any questions you may have. If their form tutor is not able to provide this information at the time, then you can request an immediate call back during the evening from the Year 10 Achievement Leader, Miss Brown.

May I take this opportunity to thank you for your continued support of the Academy and for your child's education during this challenging period. We look forward to speaking to all families during parents evening on **Thursday 28<sup>th</sup> January**.

Yours faithfully,
