

18th October 2021

Dear Parent/Carer,

Year 11 Mock Exams

As you will know, this year is a very important one for year 11. They have started well, working hard during the start of this term and beginning to build the habits they will need for successful exam results in August.

Like all students across the country, our year 11s had some disruption to their studies last year due to Covid, therefore intervention and catch-up sessions are all important for them this year. We are expecting all year 11s to stay for extra tuition on a Monday (English), Wednesday (Science) and Thursday (Maths). These sessions will run until 4pm.

The students' first chance to practise formal exams will come through their mock exams which start on the 8th November. As we've explained already to students, these could be really important if Covid increases and there is disruption again to full exams. The government has asked us to record these results in case this happens and to inform you that these mock results may be used to help inform Teacher Assessed Grades. There is a letter attached from Oasis explaining this further.

I have also included a mock timetable, so you and your child are aware of when the exams are. Attendance at any time is important but especially so on a mock exam day, so please support your child by making sure they are at school, equipped and on time on the days they have an exam. Afternoon exams are likely to finish shortly after 3pm as it takes time to dismiss the students from their exams.

Many thanks for all your support. Please do contact the academy if you have any questions or feel like there is anything we should know to help better support your child.

Yours faithfully,

Mr Mark Wrangles

A handwritten signature in black ink that reads "Mr Mark Wrangles".
