

### **Sources of help during the Covid-19 Outbreak:**

If you find yourself in need of help, particularly for food or essentials over the next few weeks during the Covid-19 School Closure period there are lots of community organisations who are willing to help. We've collated a list of some of more local sources of this help:

#### **Bradford Council:**

Vulnerable people who are in need and can't get support from friends, family or community groups: 01274 431000 (Leave your name, number and explain your need).

People with money to pay who cannot leave the house will be offered a shopping service via Neighbourhood Hubs.

For people that cannot do this and need a food parcel Bradford is moving to be able to offer three types of food parcels – Traditional, Halal and Vegetarian, these will be offered in 1-2 people sizes boxes or family boxes. The offer also includes nappies, baby food and sanitary products if needed.

#### **Non-council Community Organisations:**
