27th May 2021

A message from our Leadership Team

Dear Parents/Carers,

As we move to the final half term of the academic year, I want to wish you all a safe and healthy half term break. Our students will return to school on Tuesday 8th June 2021, hopefully suitably refreshed and, ready to embrace the final weeks of what has been a strange and challenging year for all.

Today we say goodbye to our wonderful year 13 students; many of whom have been at Oasis Academy Lister Park for 7 years. On behalf of all the staff I would like to wish these students, and their families that are leaving us, all the best for the future. May you go on to lead happy, healthy and successful lives.

Our year 11 students, many of whom will be returning to our Post-16 provision, will continue to attend school until Friday 18th June 2021. From Tuesday the 8th June they will be working on personalised timetables with a blend of in school and home learning activities to prepare them for life beyond Lister Park.

As we move to what will hopefully be more stable times, I would like to take this opportunity to share with you our academy vision that we have for your children. Our vision statement captures our academy aims and defines the key purpose that underpins all that we stand for and all that we believe in. Our shared vision creates a positive culture that is the prescription for sustained continuous improvement. It is a constant reminder to all of us with connections to Oasis Academy Lister Park that our end goal is bigger than the everyday and this vision depicts our greater purpose.

The Vision Statement of Oasis Academy Lister Park

All our students will have happy, healthy and successful futures as a result of the quality care, nurture and education they are given at Oasis Academy Lister Park. Students will develop in character to become courageous and confident. They will be brave enough to see the opportunities in every difficulty, and strong enough to become citizens who actively promote respect, tolerance and individual liberty.

May you all have a relaxing and peaceful half term break, and we look forward to welcoming your children back to school on Tuesday 8th June.

Mrs Dover – Principal

M A T H S P U Z Z L E

Can you solve our Maths puzzle? Email Mr Ishaq to receive your reward!

You have two U.S. coins
whose total value is \$ 0.30.

One of them is NOT a nickel!

What are the two coins?

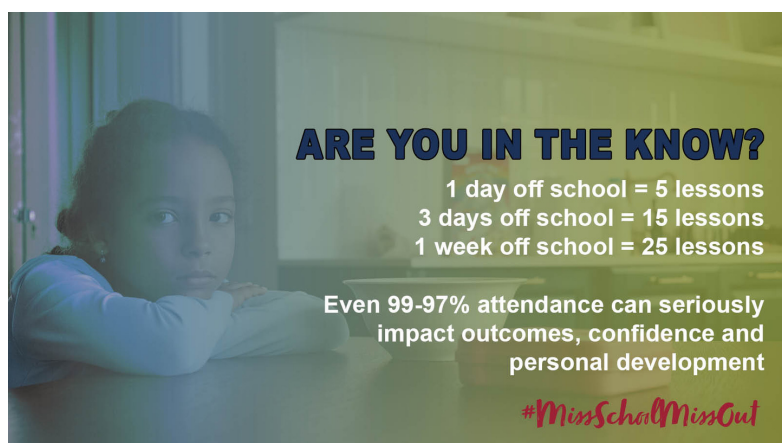

ARE YOU IN THE KNOW?

1 day off school = 5 lessons
3 days off school = 15 lessons
1 week off school = 25 lessons

Even 99-97% attendance can seriously
impact outcomes, confidence and
personal development

#MissSchoolMissOut

OALP PE

On the days that you have PE, you must bring your full PE kit and trainers in your school bag. You will change into it at the beginning of every PE lesson in the changing rooms. If you do not bring your PE kit, you will have to use the spare kit that will be provided by your PE teacher. It is really important that you are prepared and organised for this change. It would be a good idea to put your full PE kit and trainers into your school bag the evening before your PE day so you are not rushing around in the morning.

It has been amazing to see some new face at extra-curricular clubs over the past few weeks, especially during Ramadan. Attending these clubs allows you to build a variety of skills including; teamwork, leadership, problem solving which are all needed in everyday life. Extra-curricular clubs will continue to run each night, [click here to view the current timetable](#).

Year 8 REACH Day

A huge well done to all Year 8 for a successful REACH day on 17th May! The day was productive and our students were all actively engaged in the workshop discussions. The visitors were full of praise for our students.

Year 8 Flamingo Land Trip

All students have been invited on the reward trip which will take place on Friday 2nd July, providing they continue to have **excellent attendance (96% and above), no behaviour concerns and excellent punctuality**.

A letter has been sent home to students - this must be returned along with the £30 payment by 28th May. Please note there are only 100 spaces available.

Med-soc is Coming to OALP This Summer!

An award winning medical road show is coming to OALP this summer, giving students a unique insight into what lies beneath the skin. The event which was featured on BBC Dragons Den, Discovery Channel and Medicplayer is back out delivering live events.

During the event, students will work with award winning human anatomist Sam Piri to dissect real organ specimens, learning how the human body works and what happens in states of disease. The event is aimed at GCSE, A Level and BTEC students as well as any other student aspiring to study health or biomedical related careers. Both students and parents can attend the event which is taking place on 8th August 2021. Tickets can be purchased online at www.med-soc.co.uk

For more information, visit our website or email our STEM Coordinator at sonia.ahmed@oasislisterpark.org

Safeguarding Message

We understand this is a difficult time for many families in our community. We regularly update our website with contact details for agencies that can help you with your mental health, foodbanks and many other types of support. For more information, please contact the academy by phone or email.
